Thank you for your continued participation and engagement on this matter. Over the next three days we will specifically focus on all elements relating to licencing, from motivation for a licence to the types of licences and various amendments that add additional barriers to legal firearm ownership.

Included with this message today, you will find a link to SA Hunters' sixth information document that provides information on the proposed amendments on motivation for a firearm licence, validity of licences and the process for renewal of licences..

## SPESIALE NUUSBRIEF - 21 Junie 2021

Beste kollega

Hierdie is die vyfde spesiale nuusbrieff wat spesifiek handel oor die Konsepvuurwapenwysigingswetsontwerp. Baie dankie vir julle voortgesette deelname in hierdie aangeleentheid. Binne die volgende drie dae fokus ons op aspekte rondom lisensiëring, motivering vir 'n lisensie en die tipe lisensies en talle wysigings wat nou addisionele struikelblokke is tot wettige vuurwapeneienaarskap.

Vandag se boodskap sluit 'n skakel in na SA Jagters se sesde inligtingstuk wat handel oor die voorgestelde wysigings ten opsigte van motivering vir 'n vuurwapenlisensie, geldigheid van lisensies en die lisensiehernuwingsproses.

Lees die sesde inligtingsdokument [hier](#).

Versprei asseblief hierdie inligting van SA Jagters so wyd as moontlik. Dit is nou die kans om ons stemme te laat hoor! Gaan lees al die inligtingstukke, kommentaar en petisies [hier](#).
