PROTECT YOUR RIGHTS AS A LEGAL FIREARM OWNER – OPPOSE AMENDMENTS TO LICENSING REQUIREMENTS

Currently the Police is unable to effectively implement and enforce the Firearms Control Act, yet the Minister is now aiming to increase the workload with frivolous amendments that create unnecessary barriers to legal firearm ownership in South Africa.

As South African residents and firearm owners, we strongly oppose and object to:

1) The reduction of the validity period of a firearm licences for hunting and sport shooting **from 10 years to 5 years**
2) The **removal** of Section 13 and 14 licences for **self-defence**
3) The **removal** of Section 17 and 18 which provide for **private collectors' licences**
4) The **reduction** of the number of licences for dedicated hunters and sport shooters to a **total of 6**
5) The **reduction** of the number of licences for professional hunters to a **total of 8**
