Company information

A Line Tours is an inbound tour and transport operator in South Africa. We offer private, comfortable transport as well as tours and safaris for small groups. We make use of the new 11-seater Quantum GL. Part of what we do is to provide a transport solution for outfitters and hunting destinations, to get their international clients to and from the airport and their destination. Airport transfers include welcoming of clients at the terminals, assistance with firearm check out and loading of luggage. *A Line Tours* is operated by its owner, who is a qualified tourist guide and nature guide.

Costing structure

Our transport rates are calculated per kilometre and any Sanral toll fees are additionally added to a transfer rate.

- Long distance transfers: Rate per km (R 17) + Sanral toll fees.
- Airport transfers: Rate per km (R 17) only.

Example of regular transfer routes and their respective rates

- OR Tambo – Thabazimbi: $(280\text{km} \times \text{R}17/\text{km}) + \text{R}163 \text{ tolls} = \text{R } 4923.00$
- SA Hunters Inyathi Park – OR Tambo: $(58\text{km} \times \text{R}17/\text{km}) = \text{R } 986.00$

Suggested discount for members

We can offer a 10% discount on all transfers for SA Hunters members and their clients.

Example of discounted rates

- OR Tambo – Thabazimbi: $(280\text{km} \times \text{R}17/\text{km}) - (10\%) + (\text{R}163 \text{ tolls}) = \text{R } 4760.00 - 476 + 163 = \text{R } 4447.00$
- SA Hunters Inyathi Park – OR Tambo: $(58\text{km} \times \text{R}17/\text{km}) = \text{R } 986.00 - 10\% (98,6) = \text{R } 887.40$
